

# OCTOPIUSES RUN WILD!

(and other critters)

## DAZZLING PHOTOS & VIDEO!

Hear how an octopus pinned Reid against a rock wall, and other riveting tales about diving in the Aleutians!

Find out just **HOW** wild from scuba-diving UAF marine biologist and Unalaska-based Alaska Sea Grant Marine Advisory Program agent (and former Blue Loon bartender!) **Reid Brewer**.

Reid will regale us with tales of the fascinating critters and astounding habitat he encountered while diving in the Aleutian Islands. Reid will sign his new book, *Sea Life of the Aleutians: An Underwater Exploration*, featuring over 100 photos of sights rarely seen by humans.

**TUESDAY AUGUST 16  
6:00 PM TO 7:30 PM**

Must be over 21 to attend
